For tax year 2020*

Dear Friend,

The CARES (Coronavirus Aid, Relief, and Economic Security) Act is a new law designed to help you, businesses, and nonprofits facing economic hardship during the coronavirus pandemic.

Here are some new ways that you can receive financial benefits and help to support the mission of First Care, empowering women facing crisis pregnancies to choose life!

You can deduct $300 in **Charitable Gifts!**

You will be able to deduct $300 in charitable gifts from your gross income even if you don't itemize! If all of our donors give "just" $300, it would have a huge impact on those we serve.

You can contribute up to **100% of your AGI!**

For those who do itemize their deductions, the new law allows for cash contributions to qualified charities such as ours to be deducted up to 100% of your Adjusted Gross Income (AGI) for the 2020 calendar year.

Corporations can give up to **25% of pretax income!**

The limit has increased for 2020 allowing corporations to donate up to 25% of their pretax income.

We are so grateful for your generosity that changes and saves so many lives. To make a donation, please visit firstcareforlife.com/donate. Or contact First Care at 561.688.2163 to discuss how your gift can help further our mission.
