

YOUR ROLE

You are the voice of First Care in your church!

Your goal is to get people in your church excited about the Walk and 5K Run

Here are some suggestions to get your church involved:

1. Meet with your pastor and/or church leaders and ask them to:

- Consider personally participating in the WFL or 5K Run.
- Show the video and make an announcement during the church service.
- Mention the WFL and 5K in the bulletin — or use our bulletin insert.
- Share about the WFL and 5K on social media.

3. Set up a table in the lobby (with your church's permission!):

- Share First Care's impact in our community.
- Encourage people to register online at **www.wewalkforlife.com**.
- Explain how people can participate and become fundraisers.
- Share the excitement: 1,000 walkers/runners, bounces houses, petting zoo, music and free food including Jupiter Donuts!
- Share about the prizes and drawing entries that fundraisers can earn.

4. Make announcements and handout flyers to groups in your church:

- Women's Ministry.
- Life Groups and Sunday School Classes.
- Missions/Community Outreach Teams.
- Student Ministry.
