

Dear Friend,

We are pleased to announce that our 2022 Walk for Life will be held on Saturday, October 1, 2022 at Christ Fellowship in Palm Beach Gardens, Florida.

Last year, our community came together in-person to walk, run, and raise over \$150,000 to save lives and give help and hope to women facing crisis pregnancies.

We are making plans for another amazing event this year with over 700 anticipated participants! We will have a free fun run for kids, free food, activities for kids, and a celebration of the 246 lives saved last year, all capped off with our Walk for Life!

You are invited to become one of our exclusive event sponsors. Your involvement in this event will help to spread the message of the sacredness of human life throughout our community. **Will you partner with us by signing up for one of our sponsorship opportunities?**

Please return your completed form along with your tax-deductible sponsorship donation by the response date as noted on the form. Thank you for investing your resources with First Care.

Sincerely,

Beau Heyman
Executive Director

P.S. We know there are many great events and programs you could choose to sponsor, but very few of them will result in a life being saved! **Please indicate your response on the form.** Thank you!
