

Mission & Impact

Our Mission

First Care empowers women facing crisis pregnancies to choose life for their unborn children while sharing the love and good news of Jesus Christ.

Our Community Impact

- First Care operates life-affirming telehealth and in-person clinics in Palm Beach County.
- Our services include free pregnancy tests, free ultrasounds, free pregnancy counseling and referrals to our community partners for parenting classes, maternity homes, adoptions, abortion recovery programs, and ongoing support.
- Since opening in 1983, over 13,000 women have chosen life for their babies, we have shared the gospel with over 35,000 women, and more than 115,000 women have experienced the love of Jesus.
